

### Truly Free From The Law Galatians 5

To live in complete freedom is more than merely understanding God's word. Paul shows us toward the end of Galatians chapter 5 just how to do that, which is to walk in the Spirit. Leading up to that, he gives us warning of mixing the law with salvation. We cannot add works to Christ for salvation. It has to be faith in Christ alone. Also, Paul warns us that we do not need to use our freedom for selfish desires, Therefore, to be truly free from the law, we are to walk in the Spirit, bearing fruit and loving and serving one another.
